## Secured Components

 Domain elearning.minutice.helioho.st	 Secured
 Domain with the "www" prefix www.elearning.minutice.helioho.st	 Not Secured
 Webmail access webmail.elearning.minutice.helioho.st	 Not Secured
<p>^ <a href="#">Hide additional components to secure</a></p>	
<p>You may need to secure additional components depending on your configuration. Use these recommendations:</p> <ul style="list-style-type: none"><li>• No need to secure mail if you do not use mail for the domain or you use the server domain name for mail and the server is secured with an SSL/TLS certificate.</li><li>• Securing wildcard in non-Plesk DNS hosting when the DNS records cannot be synced with Plesk requires manual DNS zones editing.</li></ul>	
 Wildcard SSL/TLS certificate *.elearning.minutice.helioho.st	 Not Secured
 Mail access IMAP, POP, SMTP on elearning.minutice.helioho.st	 Secured
 Mail access IMAP, POP, SMTP on mail.elearning.minutice.helioho.st	 Not Secured

# SSL/TLS Certificate for elearning.minutice.helioho.st

**i** The current SSL/TLS certificate is valid to February 22, 2026. It will be used to secure your website until a new one is issued.

**Let's Encrypt**

Entry-level protection

Let's Encrypt is a certificate authority (CA) that allows you to create a free SSL/TLS certificate for your domain.

By proceeding you acknowledge that you have read and agree to the [Let's Encrypt Terms of Service](#).

Note: The certificate will be automatically renewed 30 days in advance before its expiration.

Email address \*

Make sure to use a valid email address to receive important notifications and warnings.

Secure the domain name

elearning.minutice.helioho.st

Secure the wildcard domain (including www and webmail)

\*.elearning.minutice.helioho.st

**i** Issue of wildcard certificates is not available because no nameservers are specified. To fix the issue, contact your hosting provider.

Include a "www" subdomain for the domain and each selected alias

www.elearning.minutice.helioho.st

Secure webmail on this domain

webmail.elearning.minutice.helioho.st

Secure mail on this domain

mail.elearning.minutice.helioho.st

Assign the certificate to the mail domain

IMAP, POP, SMTP on elearning.minutice.helioho.st and mail.elearning.minutice.helioho.st
